

## Critical Information Summaries

### ADSL2+ 50G Internet Plan.

#### 1- INFORMATION ABOUT THE SERVICE

##### A - Description of the Service

This is a Fixed Broadband Service and provides a 50GB Data Allowance per month for use in Australia which supplied using our ADSL2+ network.

##### B - Minimum Term

This is a 24 month contract plan if you are a new customer. Please see Minimum Total Cost applicable for the plan in the Information about pricing section. Early termination fees apply.

##### C - Availability

The broadband service offered will be determined by what is available at your location. The services offered are Cable ADSL2+. There may also be technical or commercial reasons that affect our ability to connect a service at your address. To check your serviceability, please contact our customer support centre on 1300 881 482

##### D - Equipment needs

You need a compatible broadband modem to use this service. The modem must be a TexcelTel approved device. If you are a new broadband customer we will provide you with a preconfigured WiFi modem included in the installation cost. Please ensure you inform us if you use equipment such as disability or medical services or back-to-base alarm. Some equipment may require an alternative service or additional equipment. We will tell you if we are not able to support the equipment.

##### E – Acceptable Use

TexcelTel Internet Acceptable Use policy sets out the rules and guidelines relating to your use of the Internet. The policy is intended to ensure that your use of the service does not break any laws, interfere with the operation of our network, or interfere with the rights of other Internet users. It also applies to “unreasonable” and “unacceptable” uses of this plan. For further details go to [texceltel.com/acceptableuse](http://texceltel.com/acceptableuse).
